
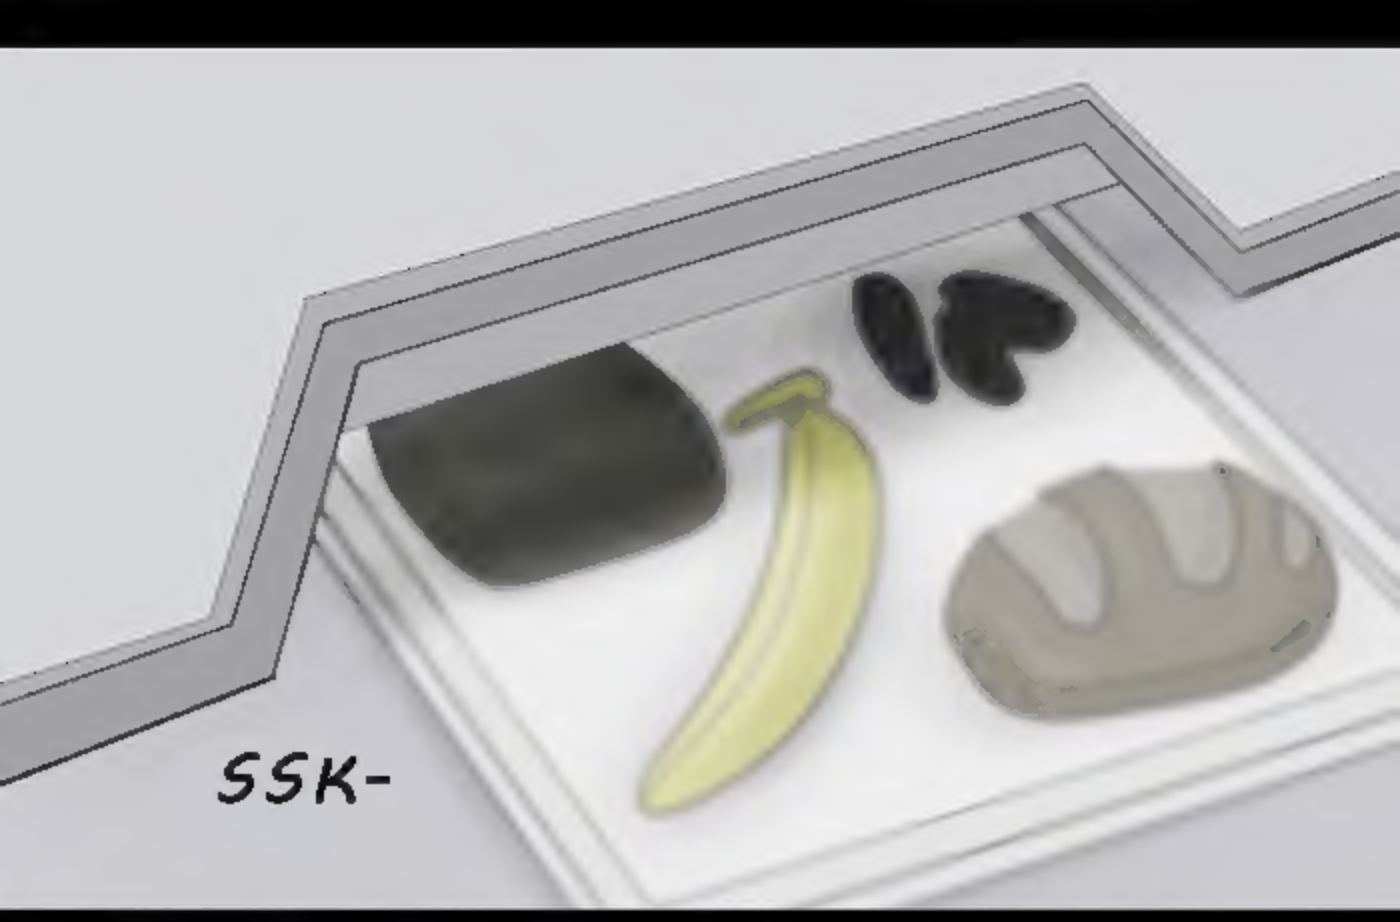
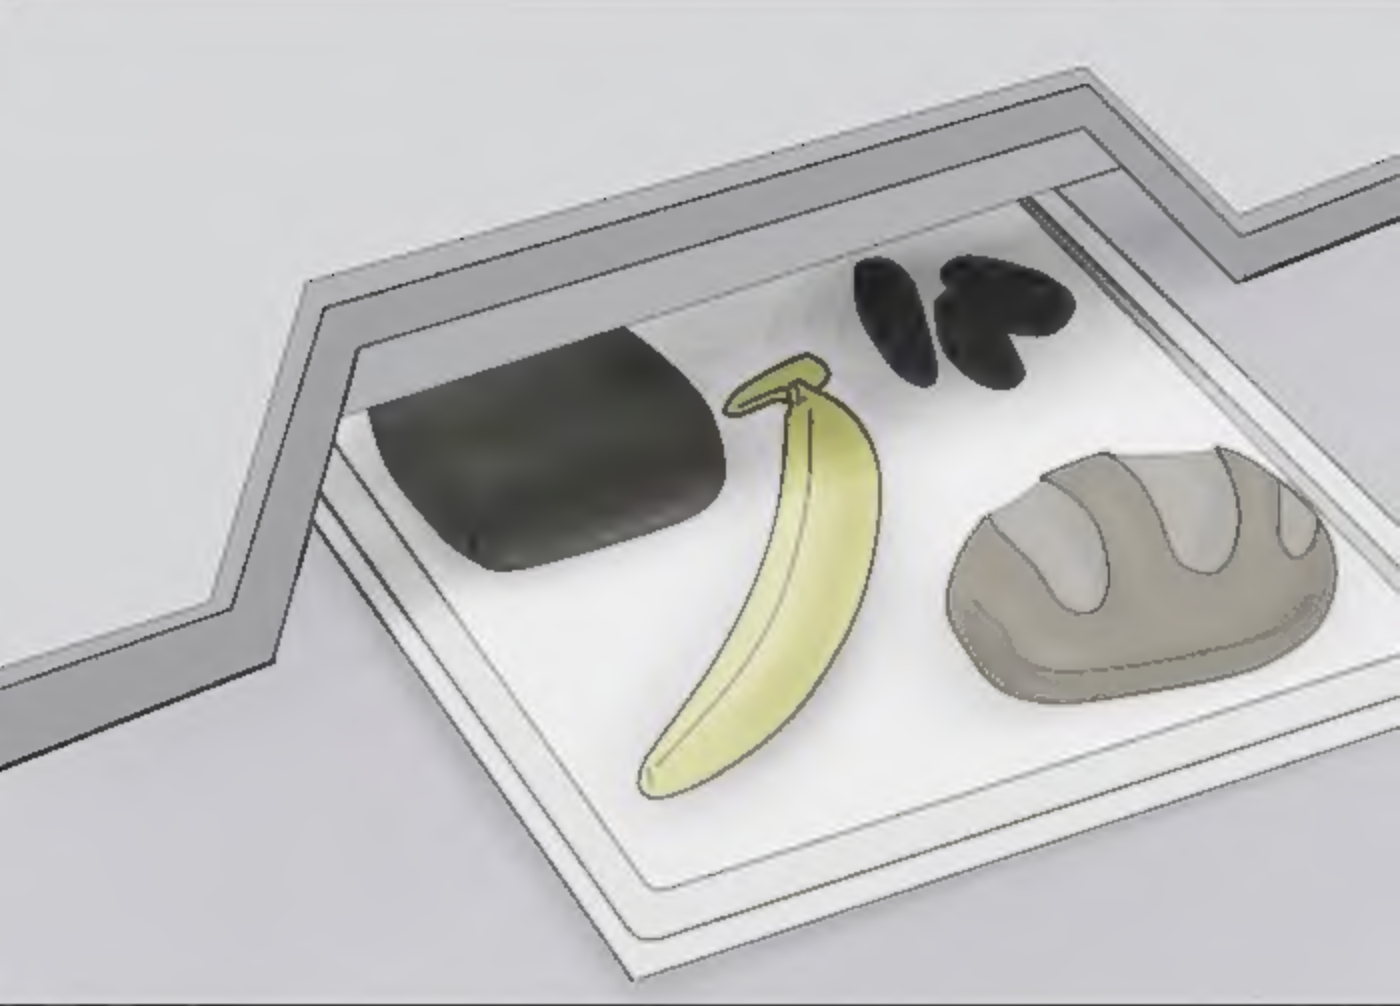
AND THE EXHAUSTED RESEARCHERS
GRADUALLY BEGAN TO DOUBT

THE HEAD RESEARCHER'S HYPOTHESIS.

THE HEAD RESEARCHER ANXIOUSLY AWAITED THIS "MIRACLE."



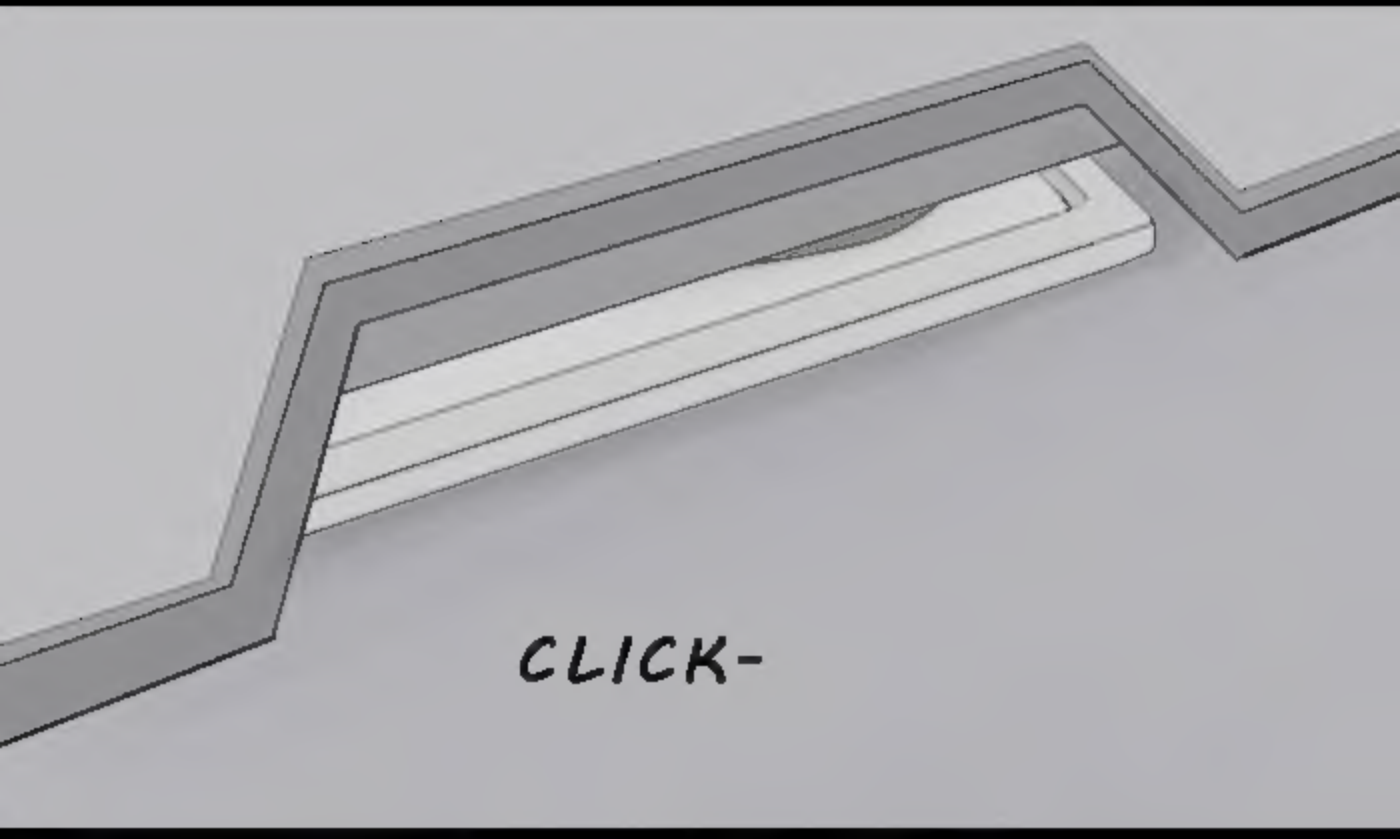
SSK-



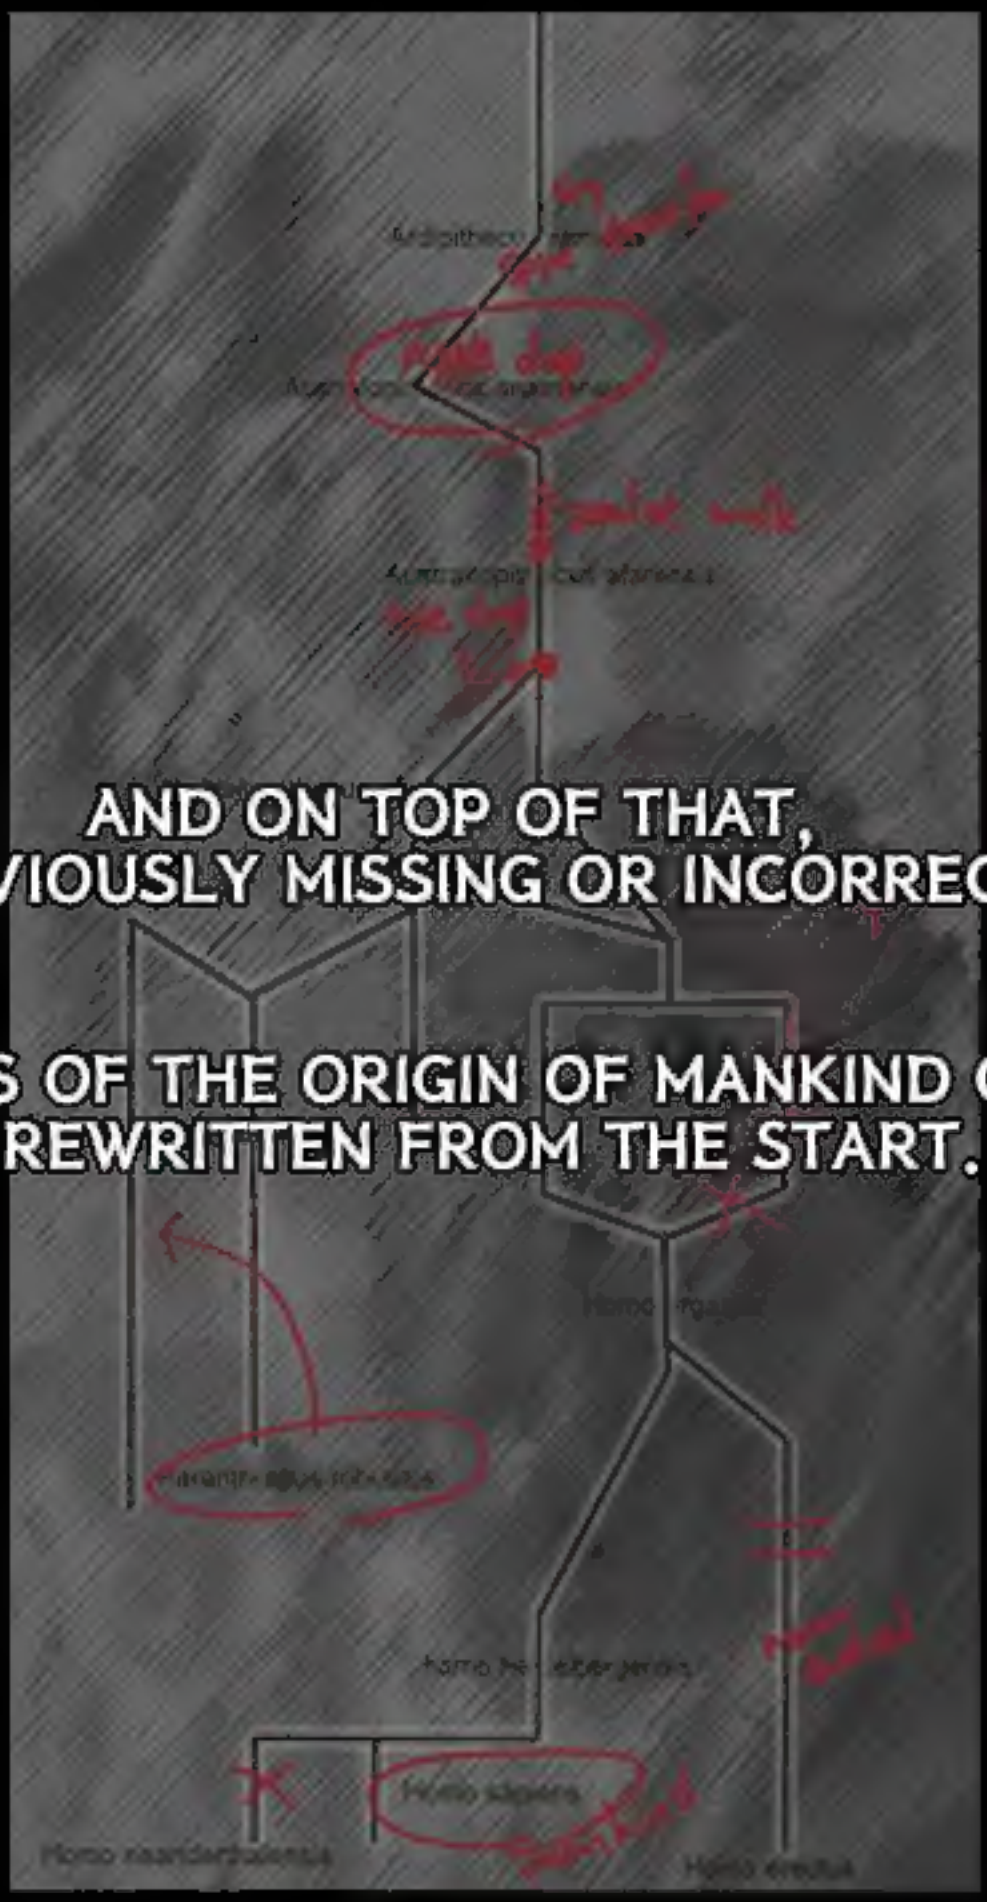
THUS, THE MYSTERIOUS RESEARCH

APPEARED TO HAVE COME TO AN END.

FULL BRAIN ACTIVATION
THIS "MISSING LINK" MOMENT



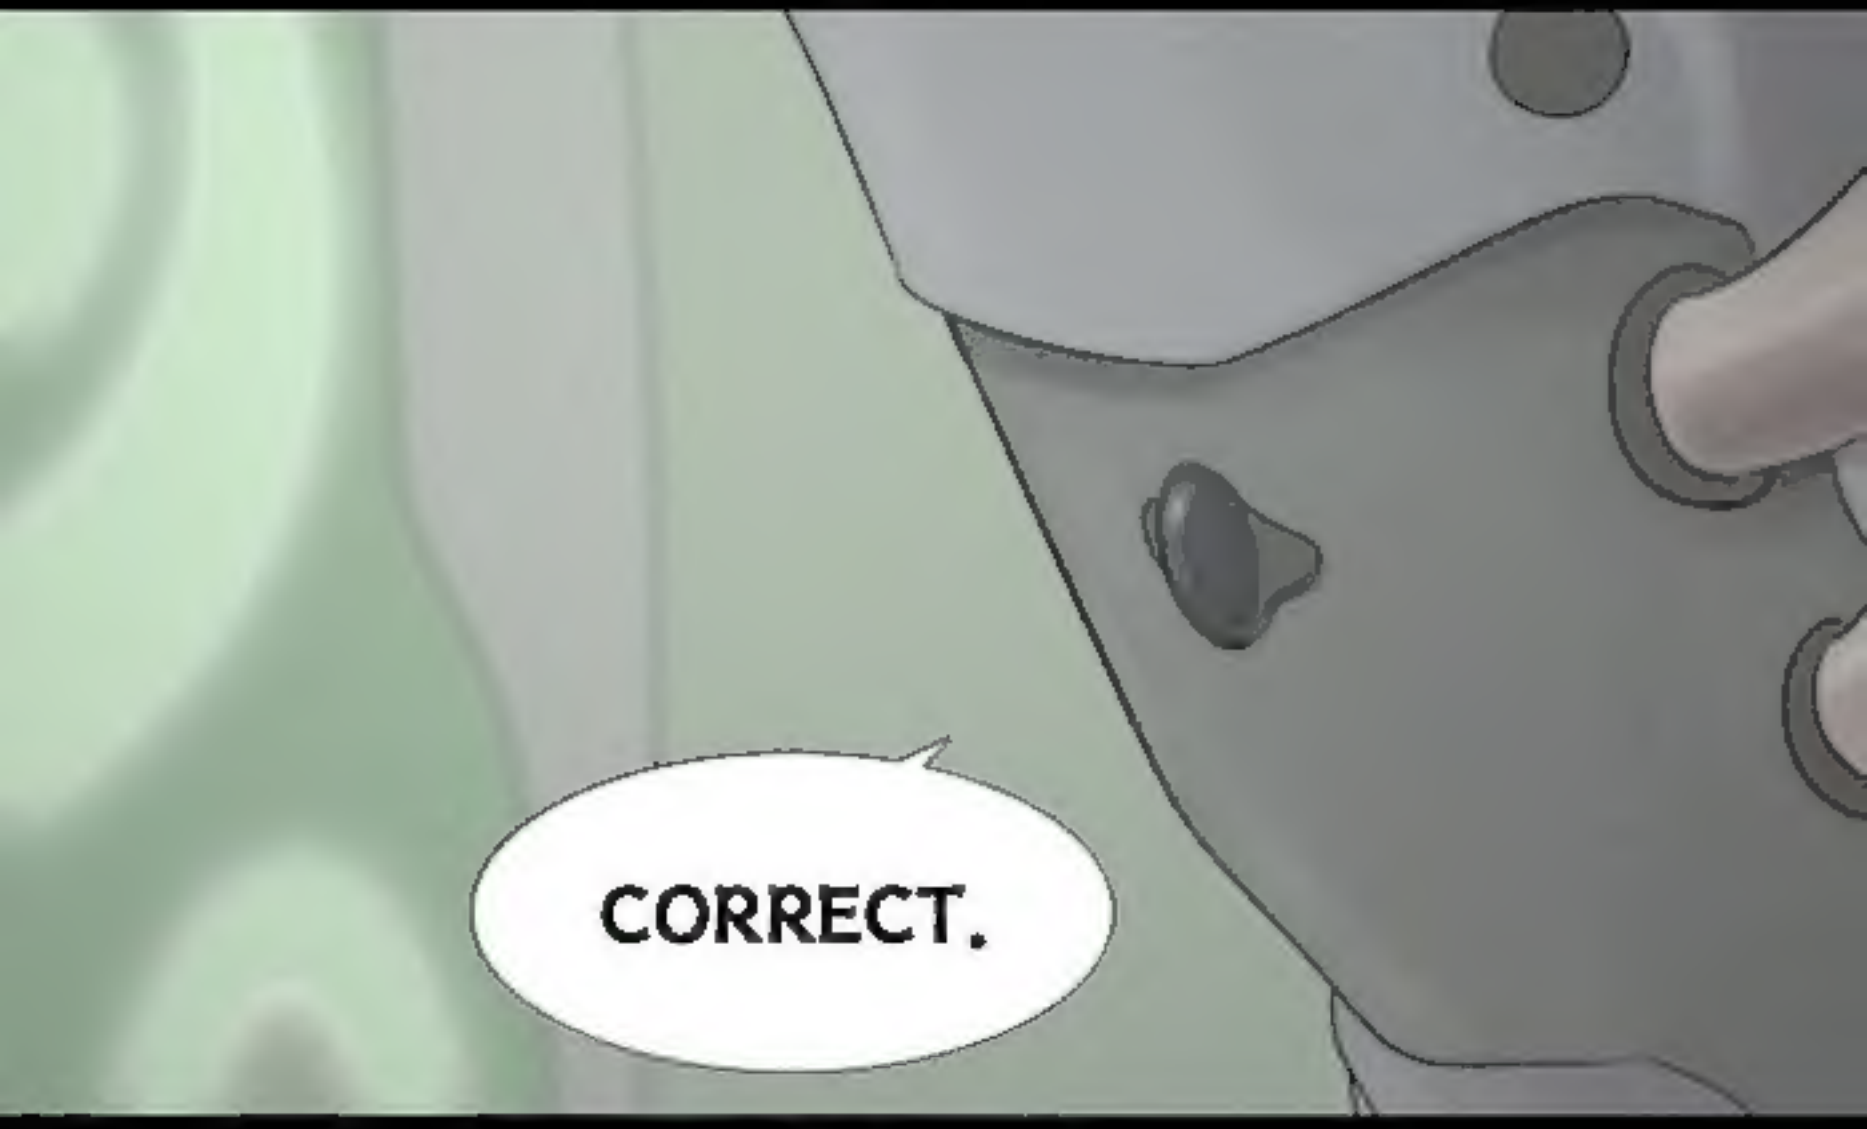
CLICK-



AND ON TOP OF THAT,
PREVIOUSLY MISSING OR INCORRECT
THEORIES OF THE ORIGIN OF MANKIND COULD
BE REWRITTEN FROM THE START.
Homo sapiens
Homo neanderthalensis
Homo erectus

THIS IS THE MISSING EVOLUTIONARY LINK BETWEEN ANTHROPOIDS AND HUMANS.

AN AS YET UNDISCOVERED MYSTERY IN HUMAN EVOLUTION.



"MANKIND WAS FACED WITH ENDLESS CHALLENGES AT THIS TIME,

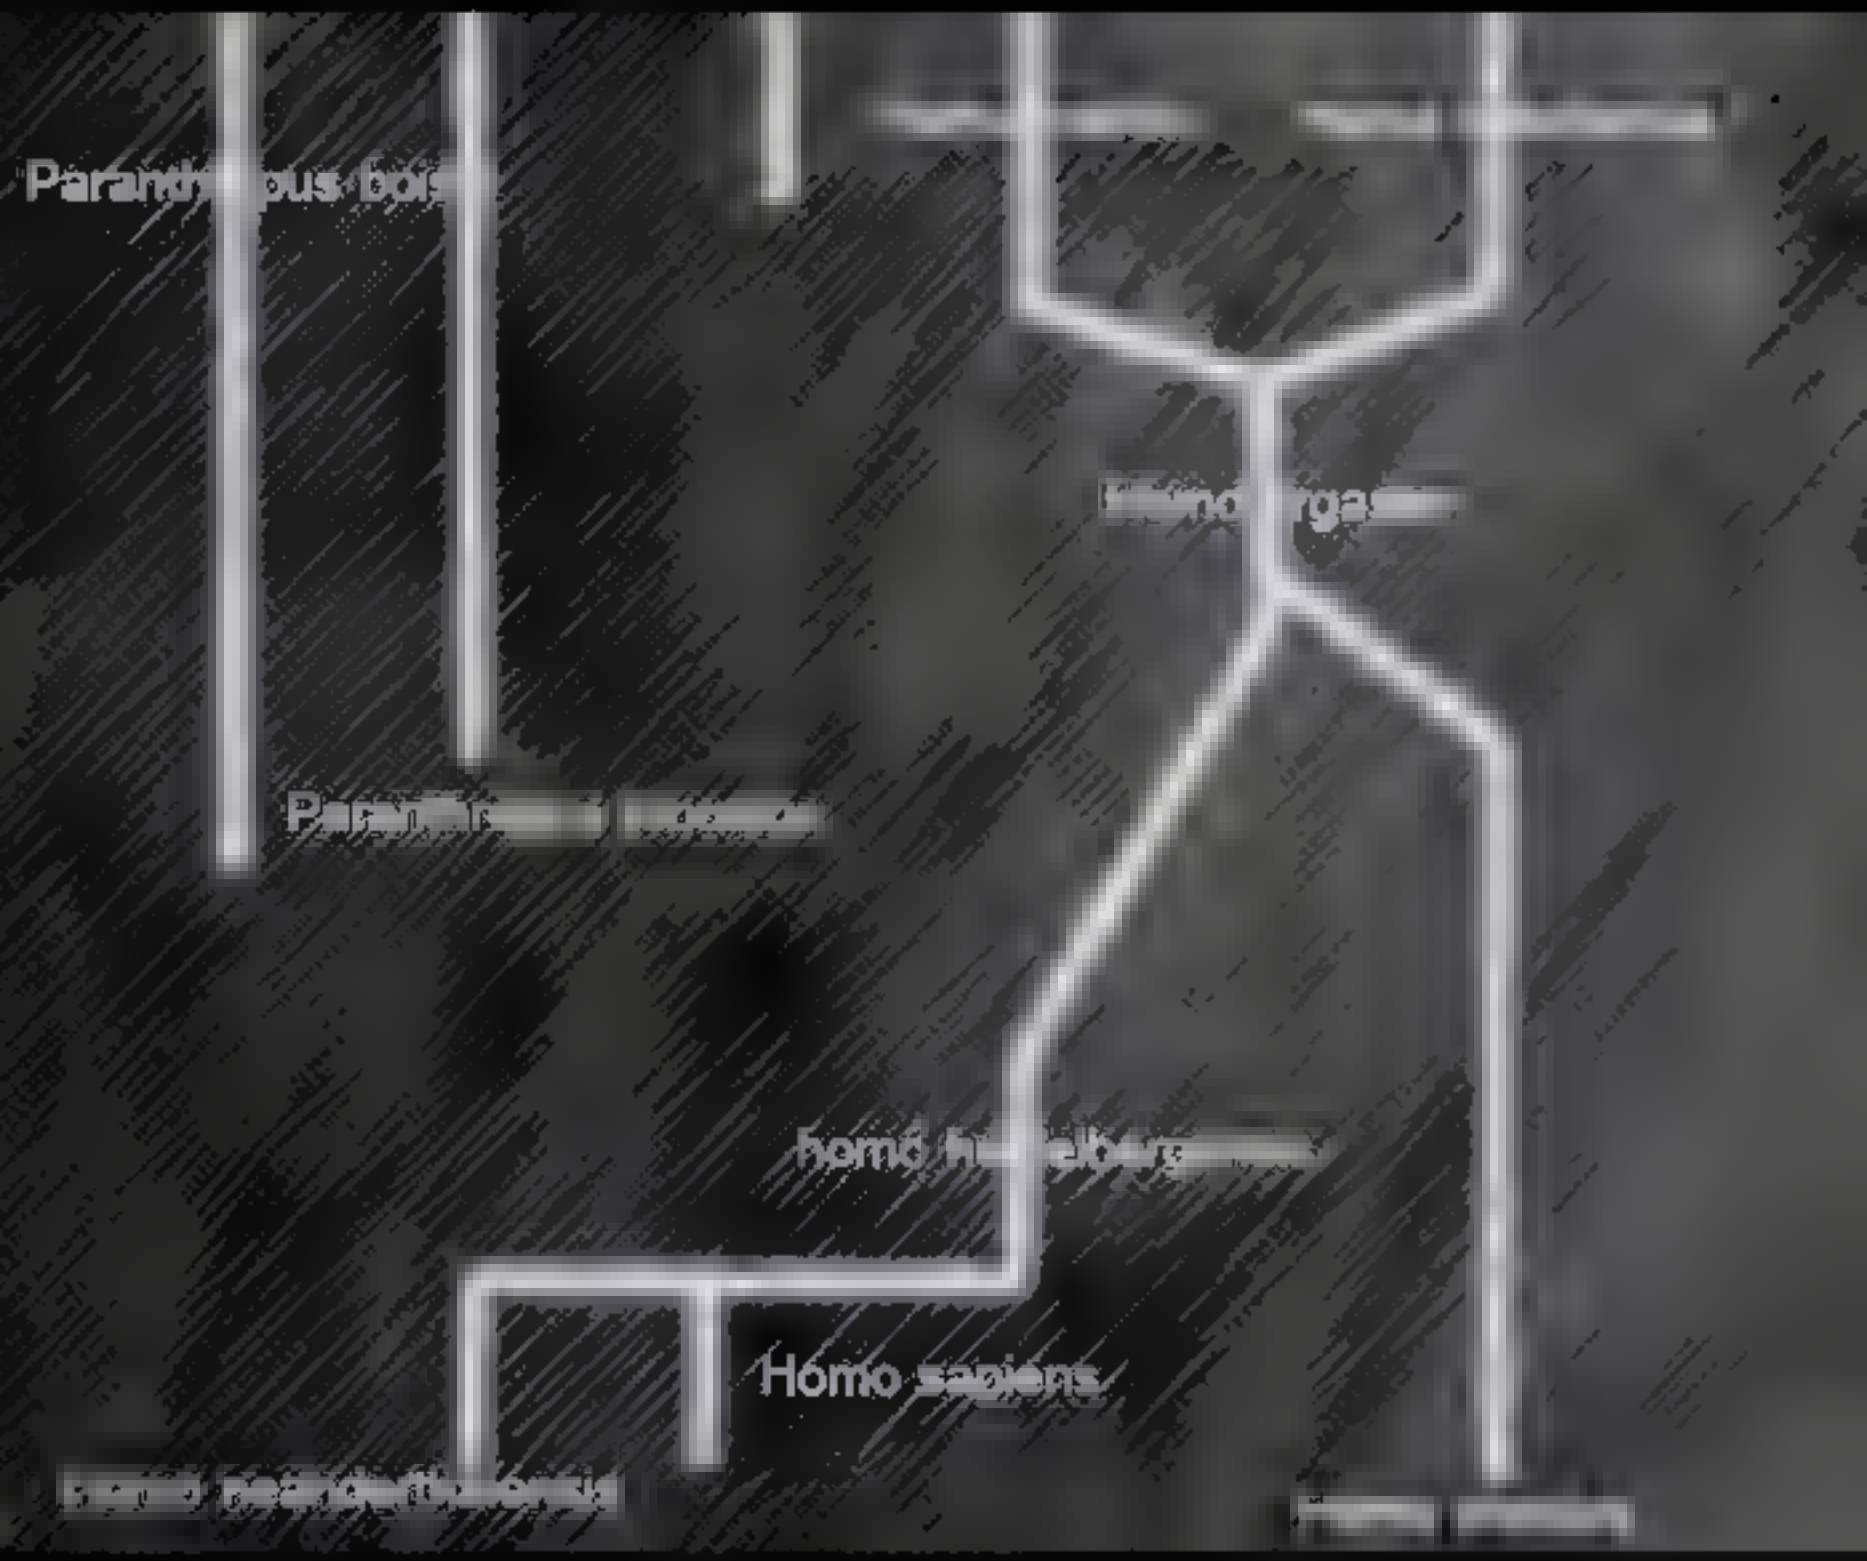
AND SO THEY EVOLVED IN A MANNER WHICH WAS FAVORABLE TO FIGHTING AND SURVIVAL."

PERFECTLY MATCHED THOSE OF HOMO SAPIENS SAPIENS.

"NOTICE HOW PRONOUNCED THE STRATUM CORNEUM IS ON THE WRISTS AND ANKLES."

"SIR! IT'S CODE RED!! CODE RED!!
AND YOU'VE GOTTA COME SEE THIS!!!"

WITHIN ANY NOTICE OR WARNING,



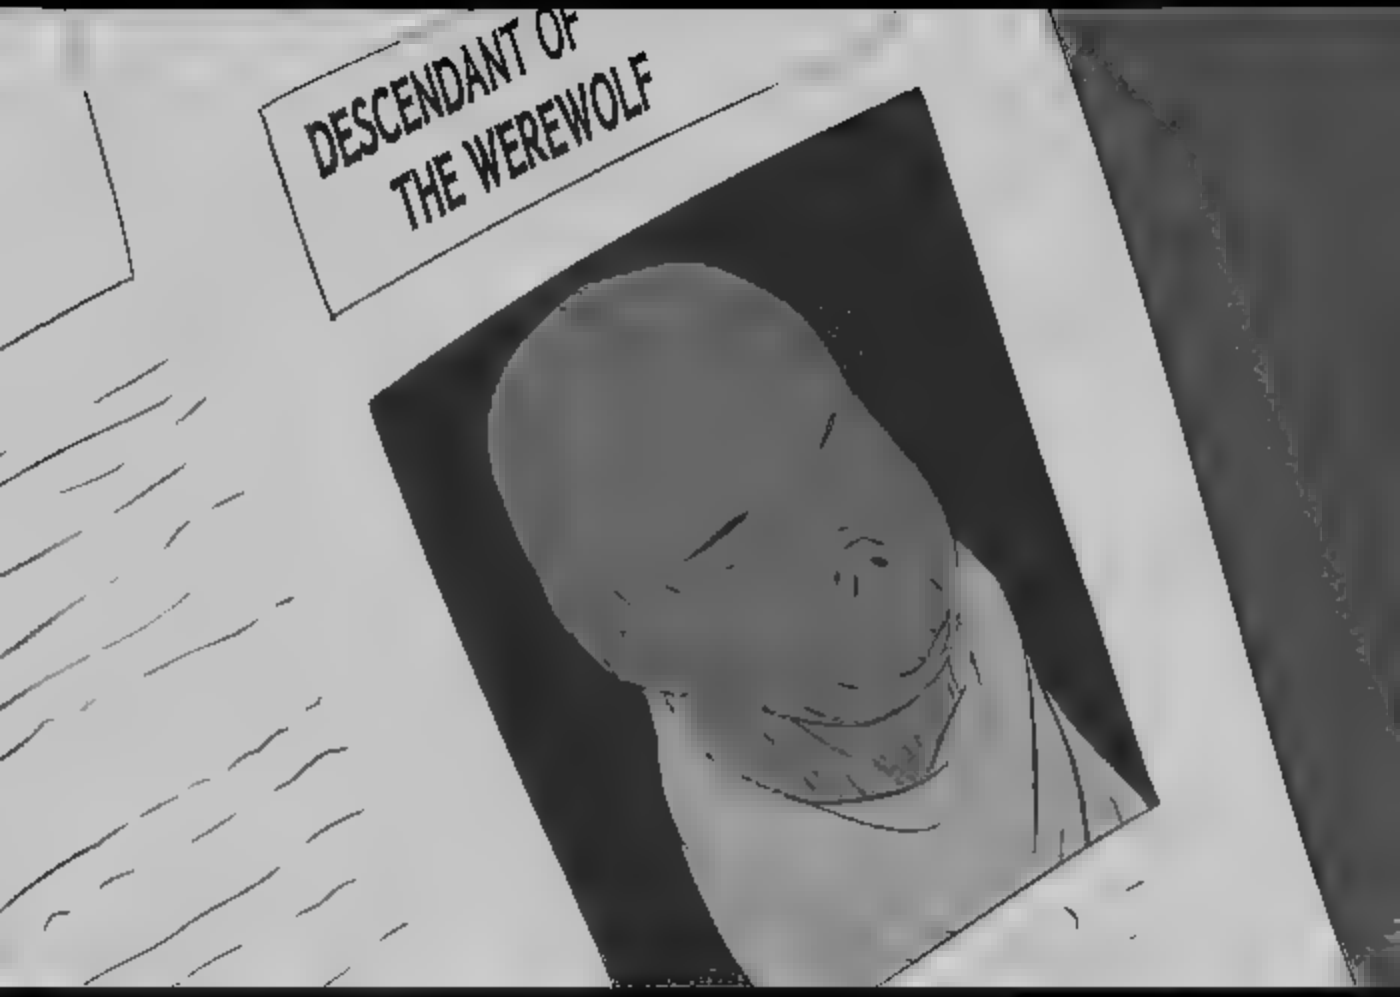
Homo heidelbergensis
Homo sapiens

SQUIRM-

SQUIRM-

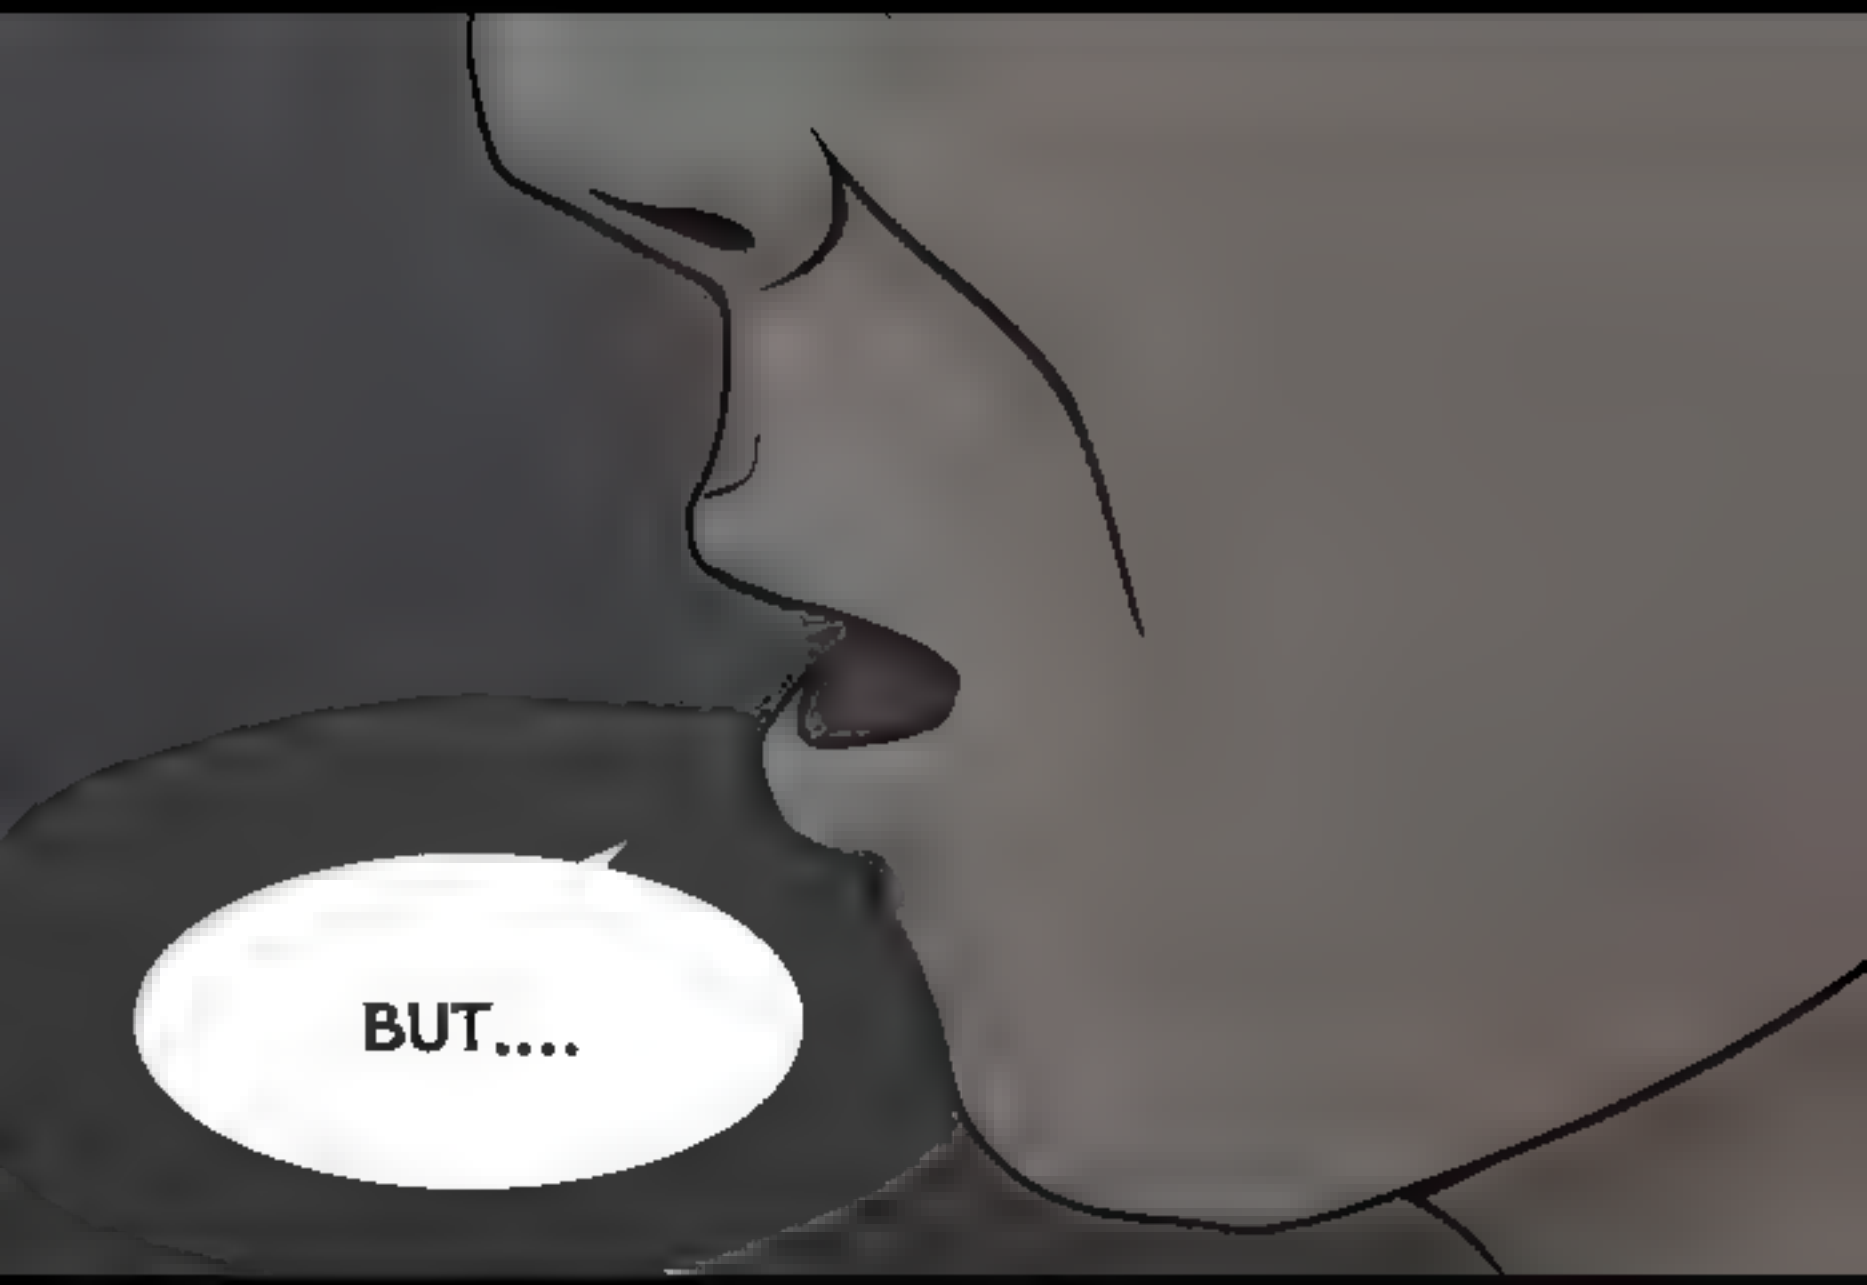
THAT THE CHANGES COULD BE SEEN WITH THE NAKED EYE.

HE THOUGHT THAT IT LOOKED MORE LIKE A CHIMPANZEE THAN A HUMAN.



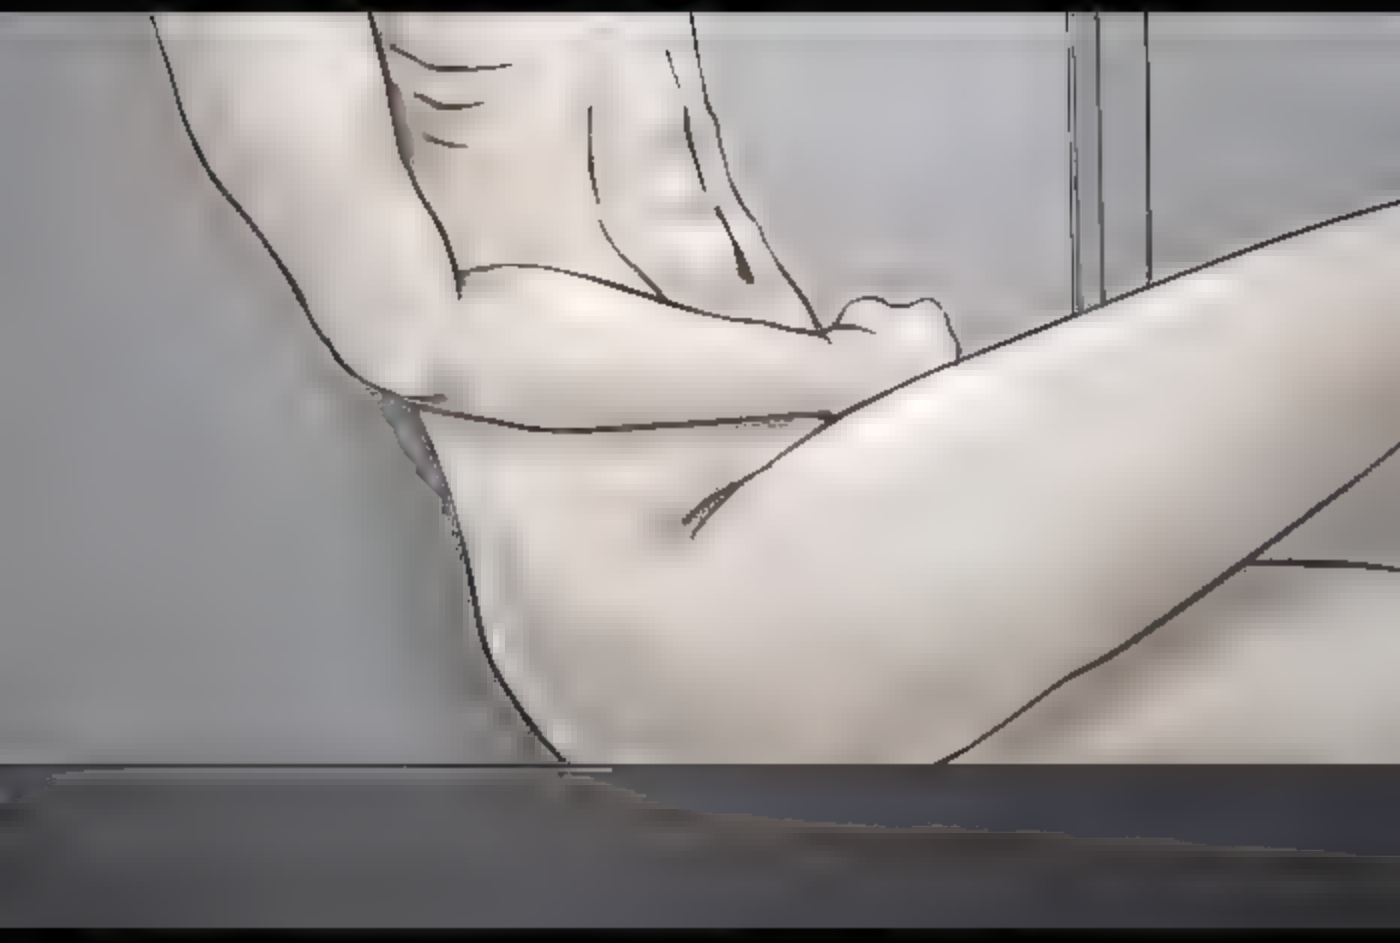
HE SUSPECTED IT MIGHT BE A MUTATION FROM EXPOSURE TO RADIATION OR THE PRODUCT OF AN EXPERIMENT ON SPECIES

SO HE SECRETLY CALLED A GOVERNMENT INSTITUTE AND HAD IT TRANSFERRED TO HIS FACILITIES.

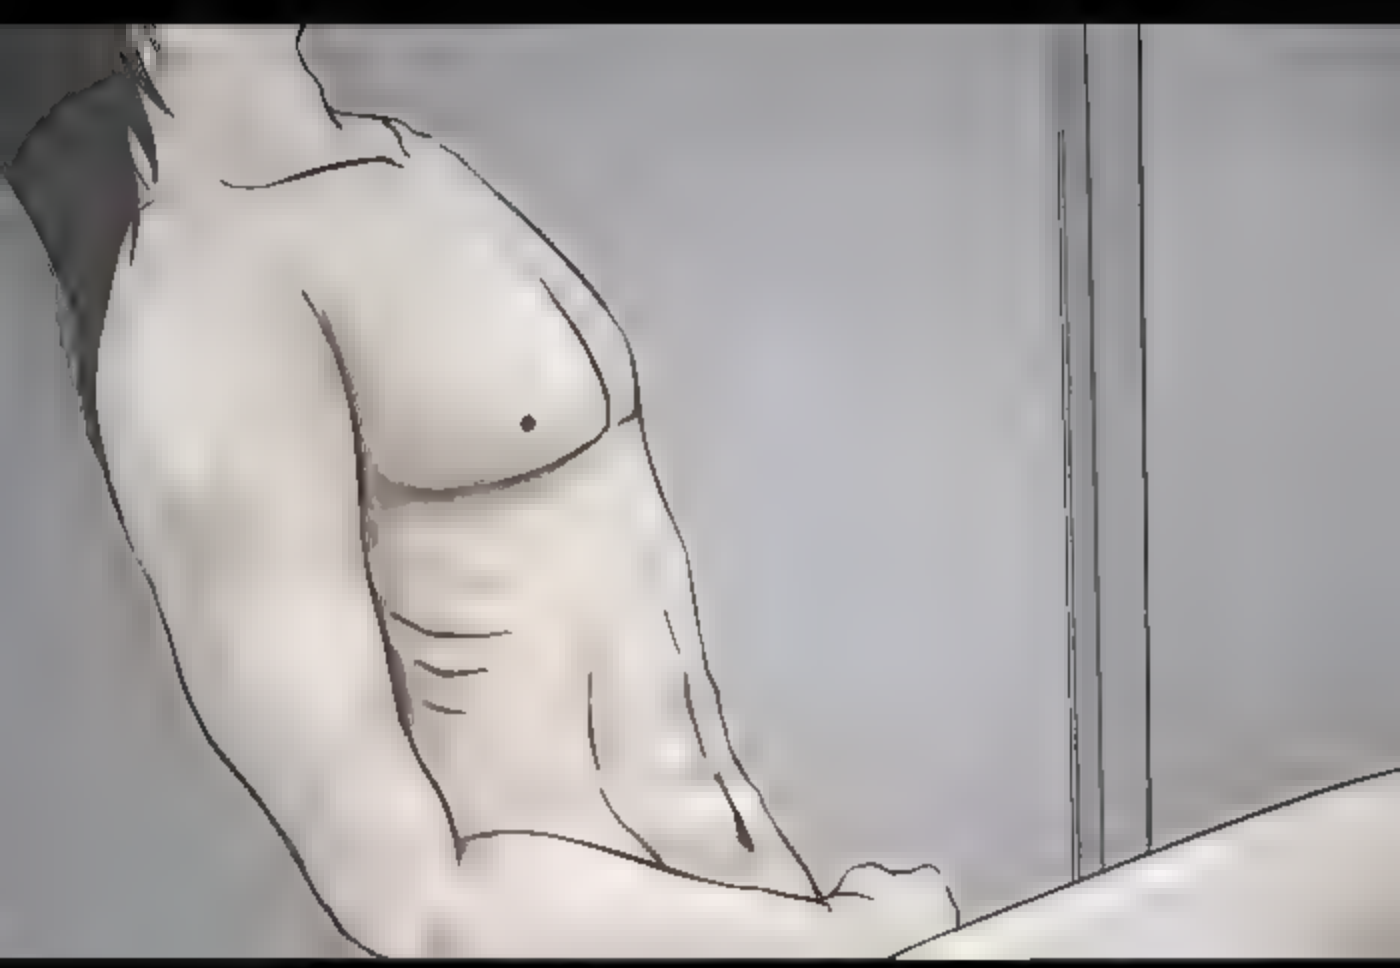


BUT THE REASON

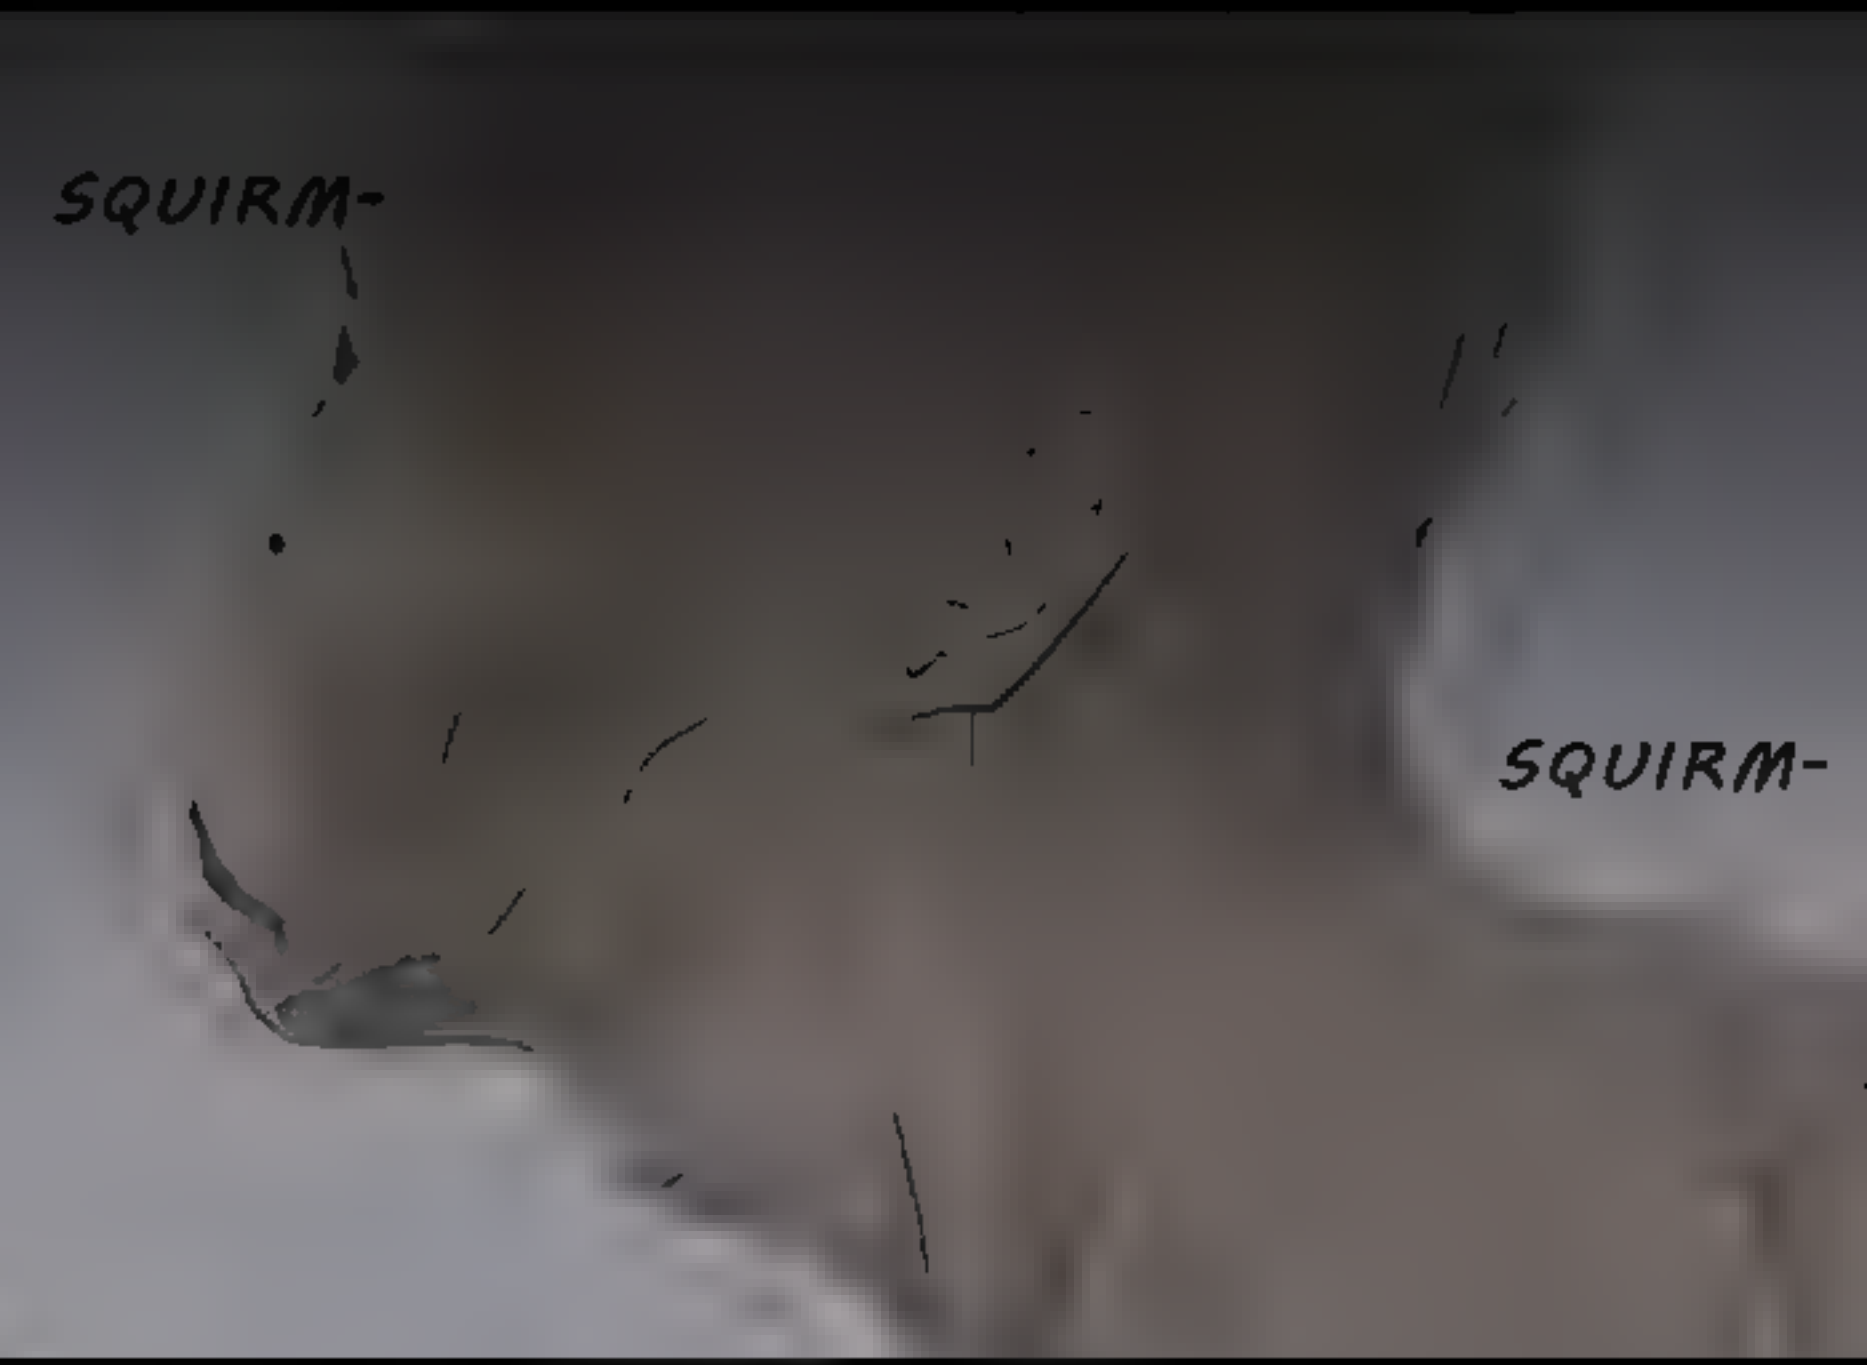
WHY NO ONE COULD PRONOUNCE
THE CASE CLOSED.



NOT BECAUSE ALPHA'S
EVOLUTION WAS COMPLETE



IN LESS THAN ONE DAY,
THE CHANGES WERE COMPLETE.



THE CHILD'S BONE STRUCTURE SUDDEN STARTED CHANGING SO RAPIDLY

"THIS IS AN IMAGE OF MAN FROM ROUGHLY 120,000 YEARS AGO. ITS SCHOLARLY NAME IS"

"HOMO STRUGLUS."

EVOLUTION?

"THIS IS AN IMAGE"

"OF HOW PEOPLE LOOKED 50,000 YEARS AGO."

DOES ANYONE KNOW WHAT THIS NAME MEANS?
IT MEANS "ONE WHO RESISTS."

THEY HAD PERSONALLY WITNESSED
THE MIRACULOUS MOMENT

OF A CONNECTION WITH THE MISSING LINK.

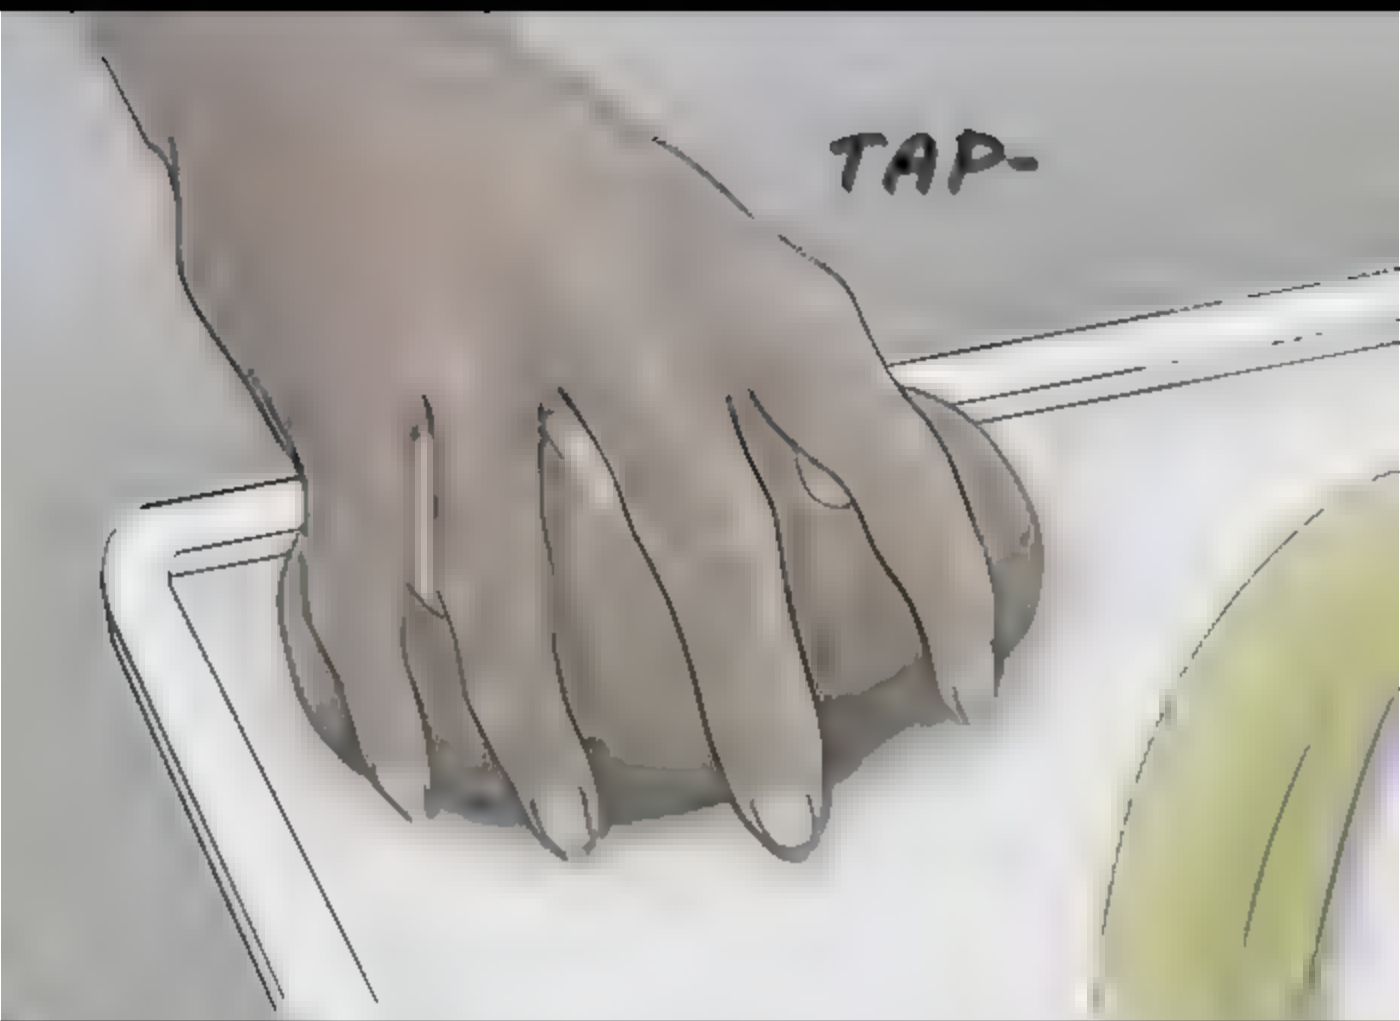
THE RESEARCHERS HAD SPEND THOUSANDS
OF HOURS ANALYZING RECORDS
AND RUNNING SIMULATIONS

BUT THEY DIDN'T FIND A SINGLE CLUE
WHICH HINTED AT SUCH A "MIRACLE."

HOWEVER,
HE STILL COULDN'T BE SURE
OF ANYTHING.

THERE WERE MOMENTS WHEN
THE CHILD'S BONE STRUCTURE

WAS IDENTICAL WITH
THAT OF EARLY HOMINIDS



THE CHILD HAD REACHED AGE 25 IN HUMAN YEARS.

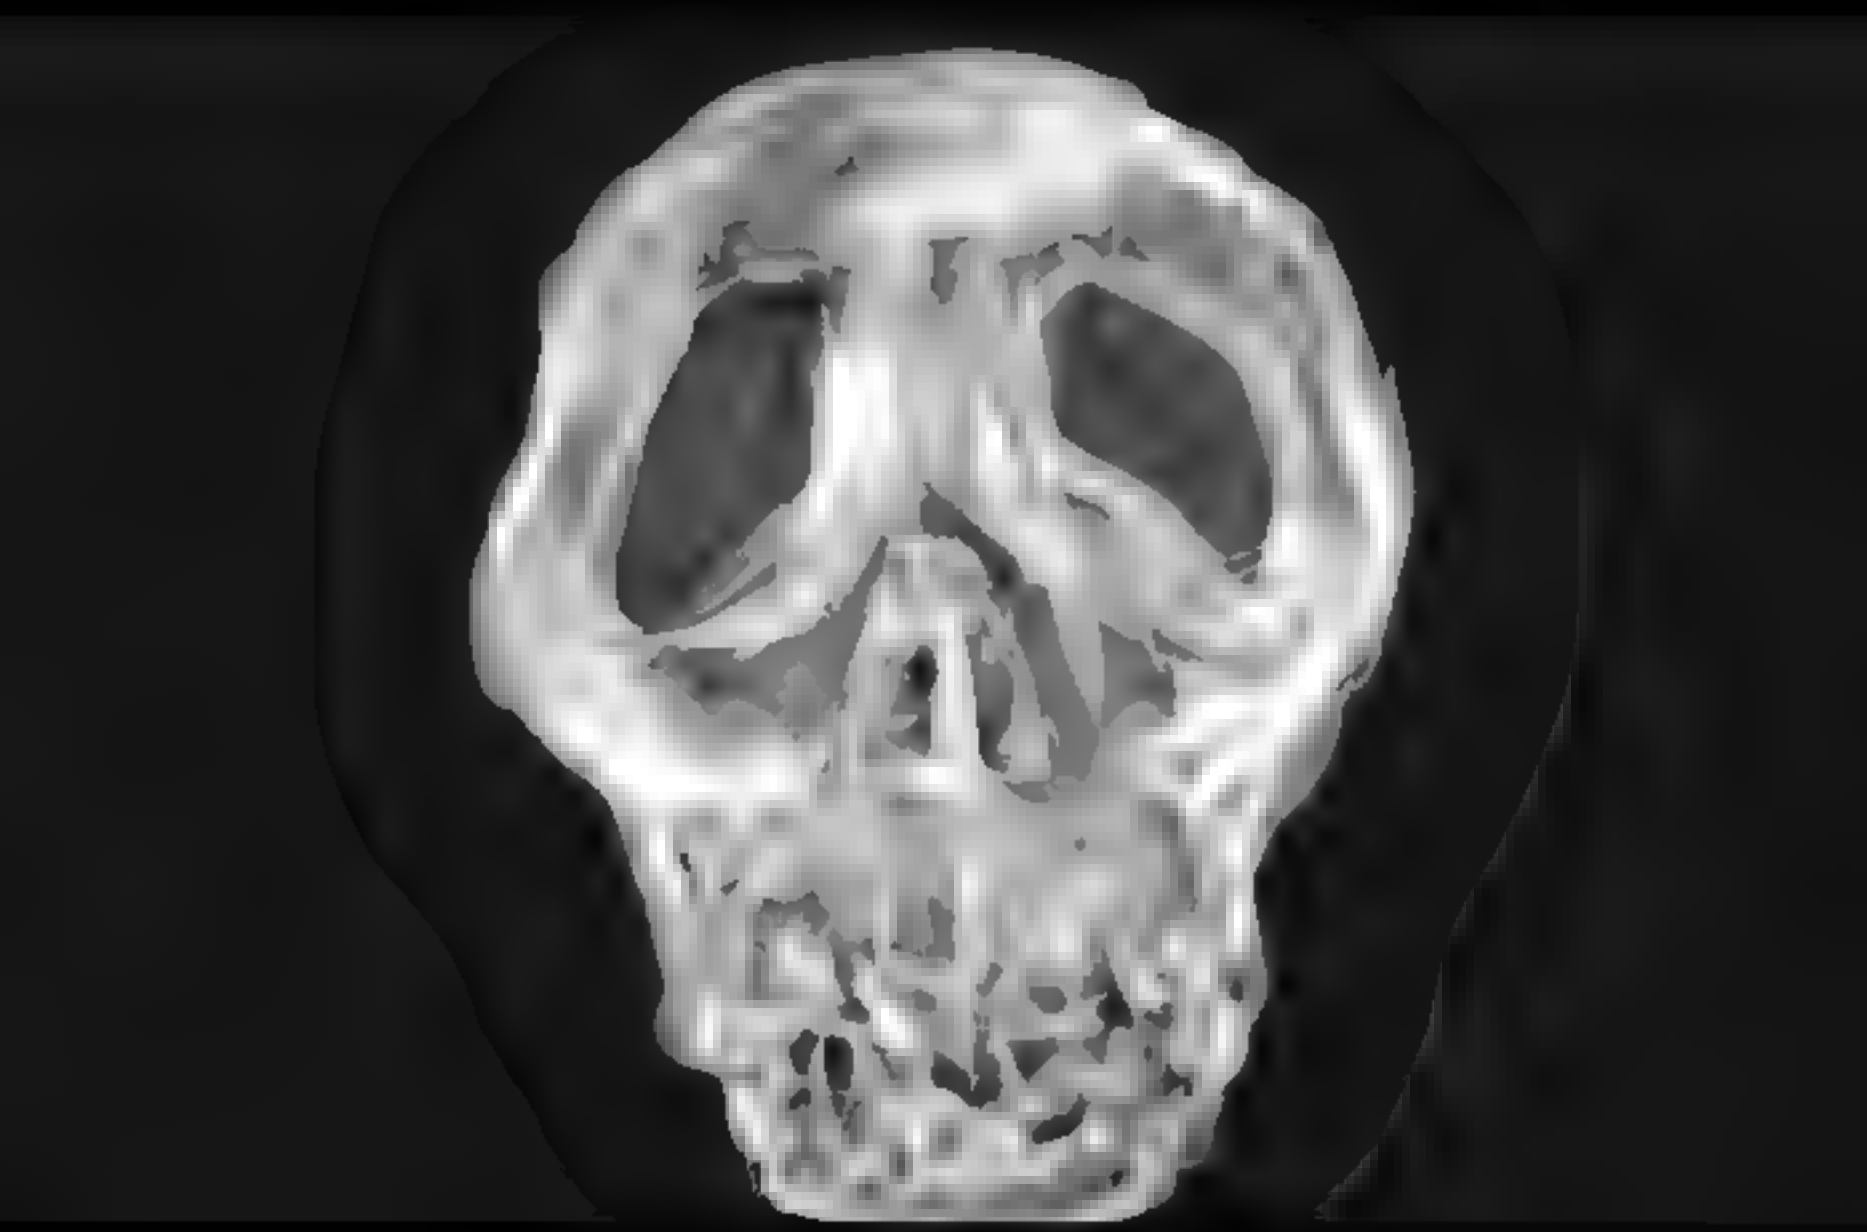
"THE ORIGIN OF MANKIND".

TWO YEARS SIX MONTHS LATER.

TO BE CONTINUED

THIS CONTENT HAS BEEN PUBLISHED
WITH THE SUPPORT OF THE MANHW
MANAGEMENT DIVISION OF THE KOREA

LINE Webtoon



BUT THE CHILD'S BRAIN
CAPACITY WAS FAR TOO SMALL

AND HIS BODY STRUCTURE WAS NOT
SUITABLE FOR BIPEDAL MOVEMENT.

IN SPITE OF HIS HOPES,
NO UNUSUAL FEATURES EMERGED.

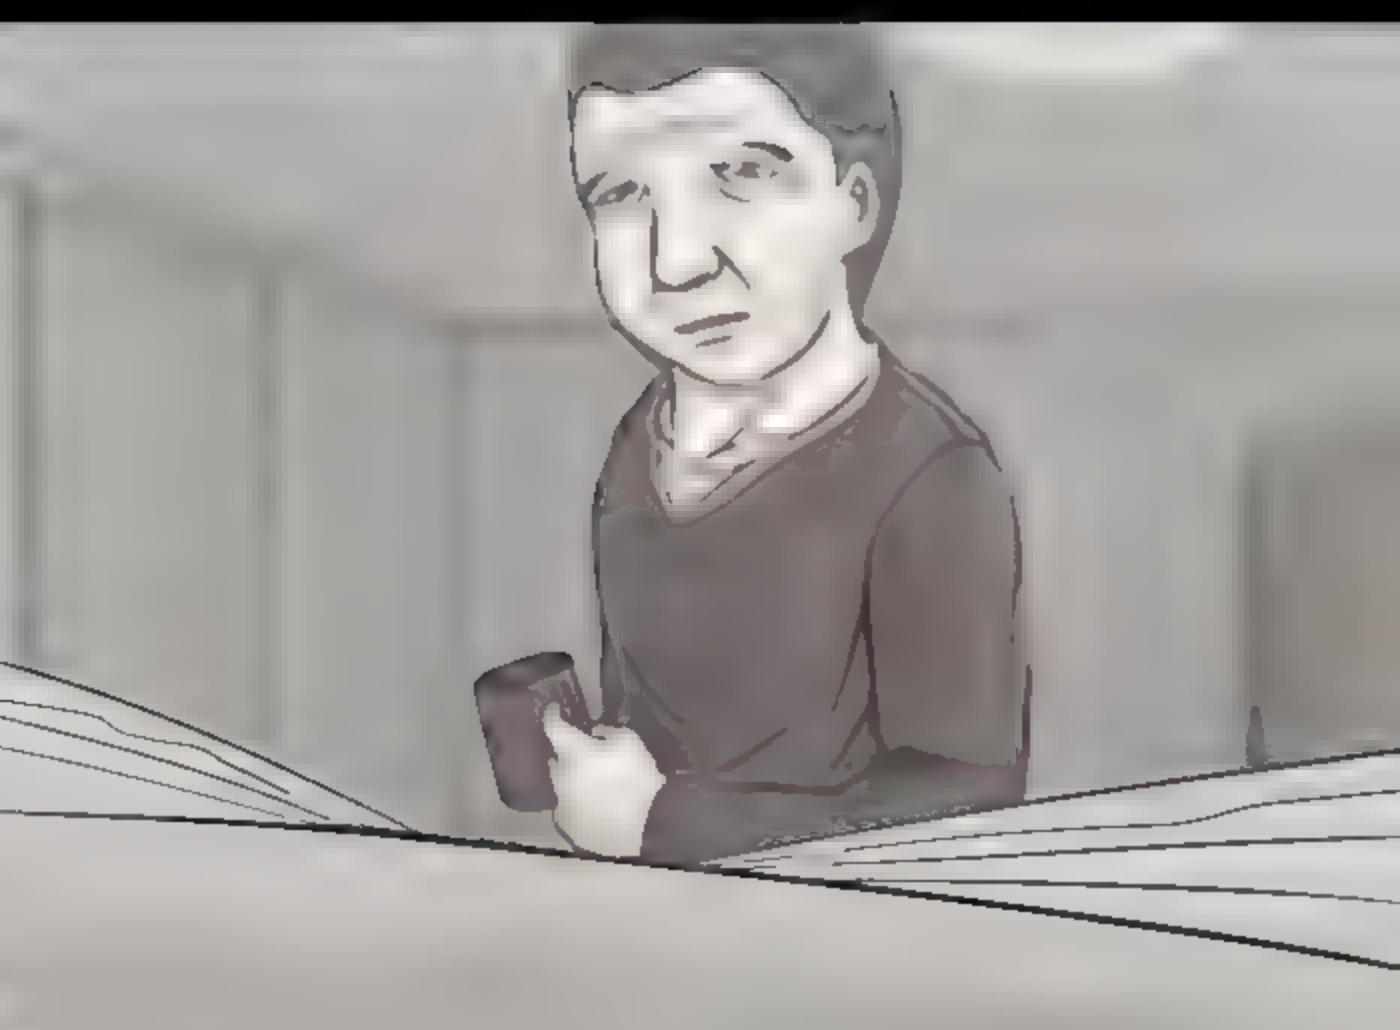
THE CHILD WAS STILL SIMILAR
TO AN ANTHROPOID

YEAH,
HE'S NOT GROWING
AS WE SPEAK.
HE'S EVOLVING.

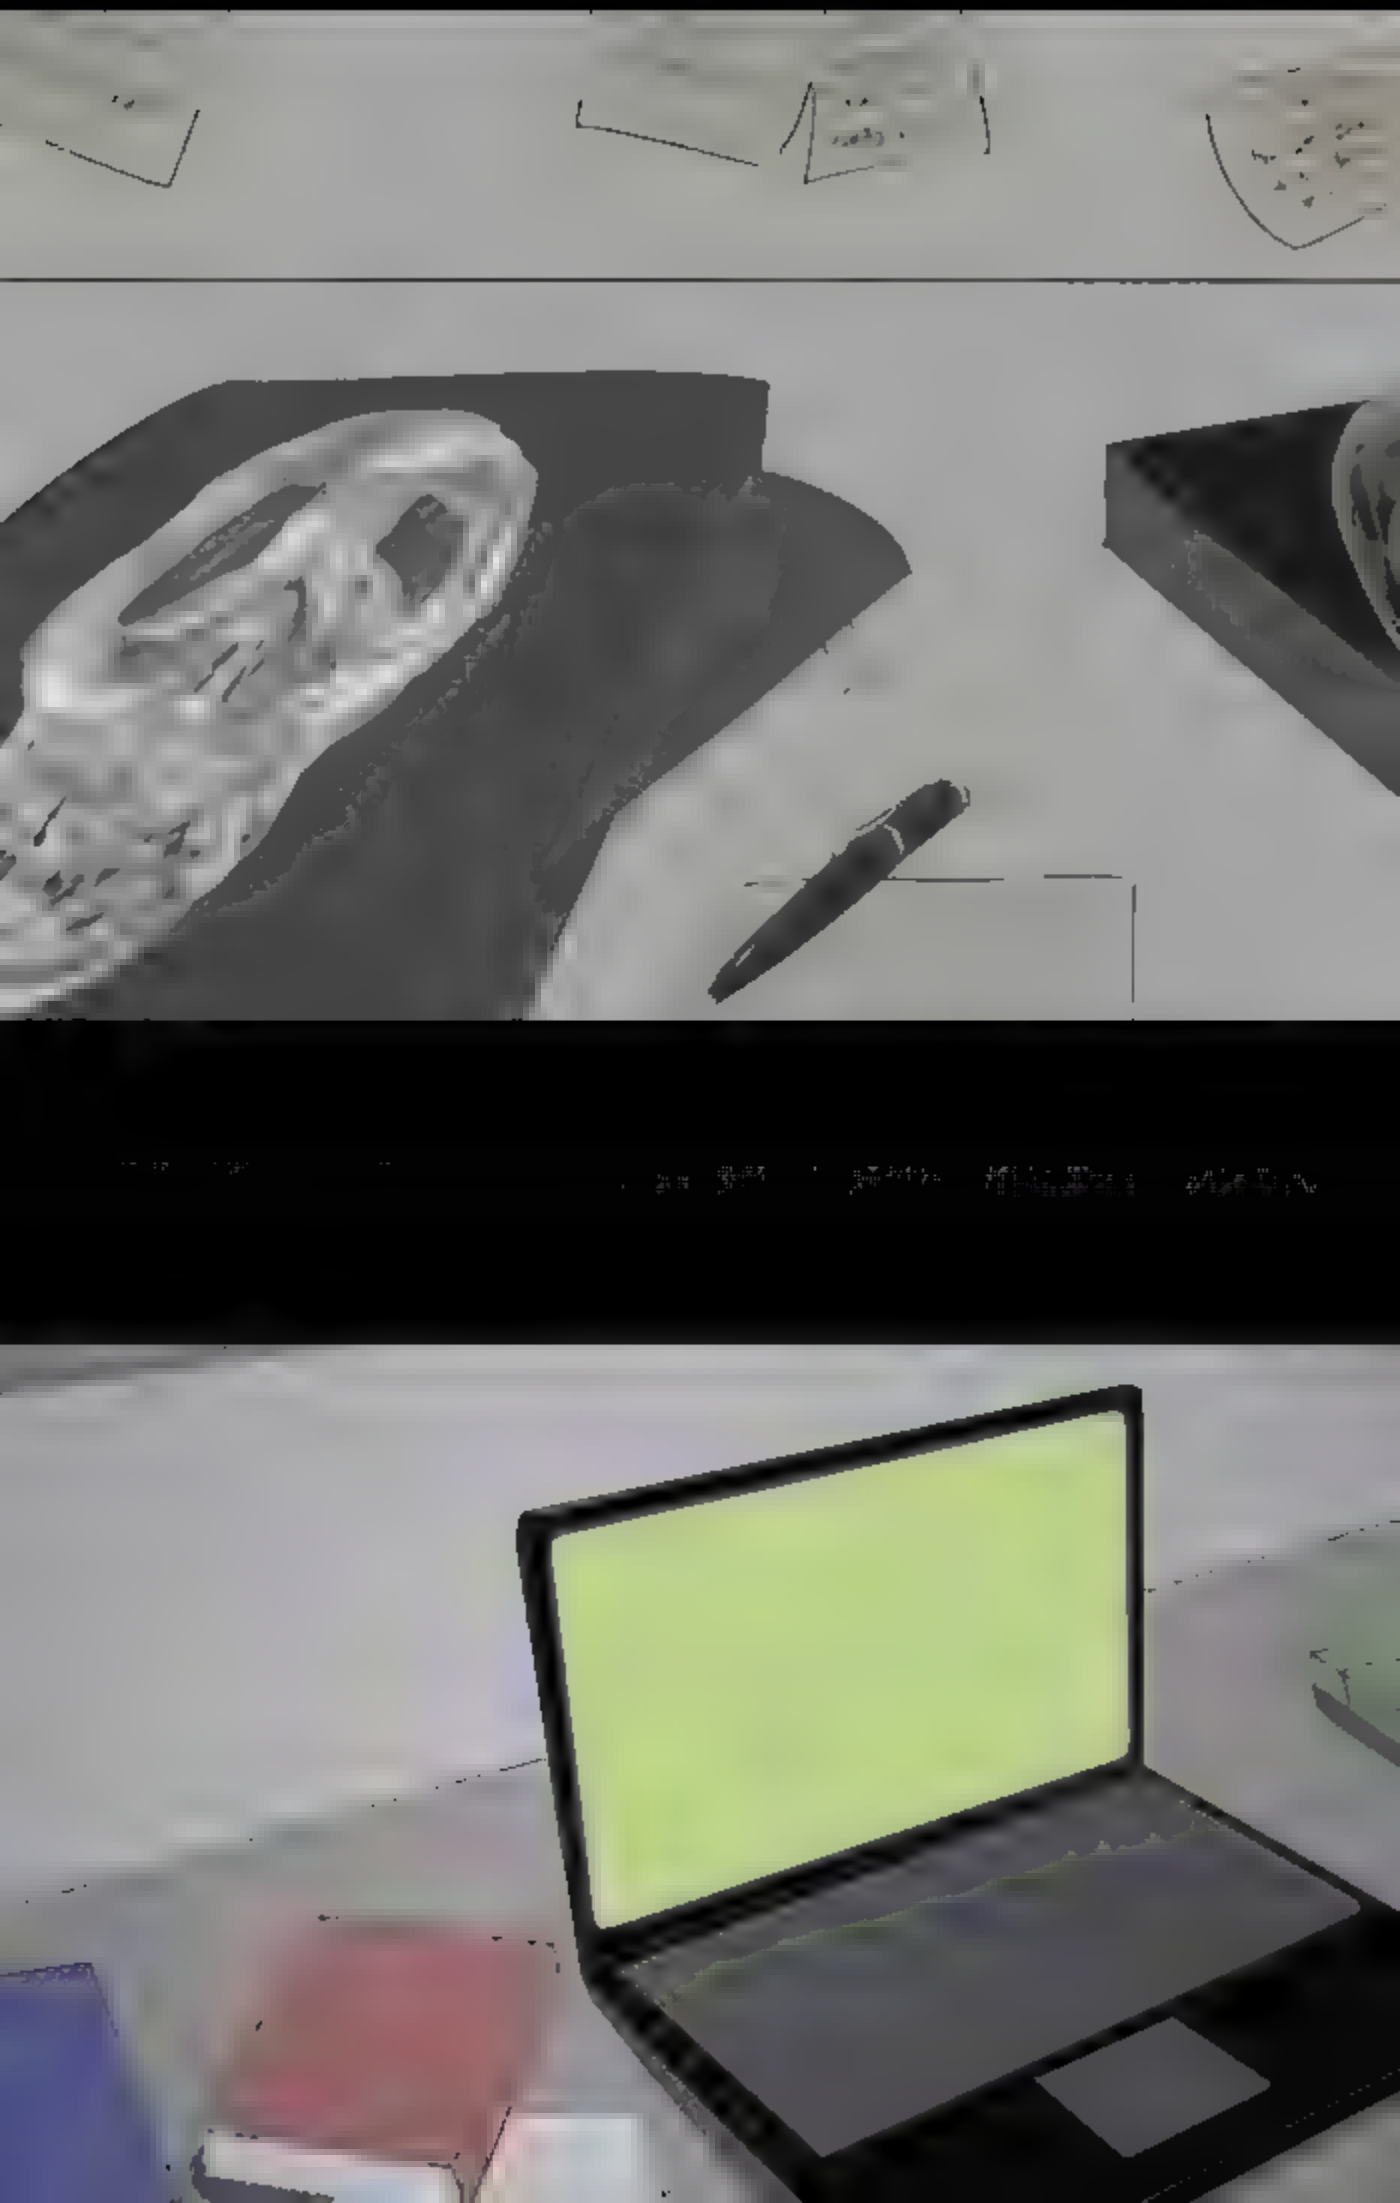
FRIDAY
FORBIDDEN TALES
禁曜日

033. ALPHA (2)

WHEN THE HEAD RESEARCHER DISCOVERED
THE CHILD IN THE NEWSPAPER.



BASED ON THESE CHARACTERISTICS, ITS SCHOLARLY NAME IS HOMO PORTABLUS, MEANING "MAN CAPABLE OF MOVING EASILY."
PORTABLUS?
IT'S A WEIRD NAME.



STARTED SO SUDDENLY

AND ENDED JUST AS SUDDENLY.

BUT THE SITUATION TOOK A TURN IN A DIRECTION WHICH NO ONE COULD HAVE EXPECTED.

RIGHT NOW, IT'S NOTHING MORE THAN A HYPOTHESIS....

THAT'S WHEN THE CHILD

FINALLY ACQUIRED THE NAME "ALPHA".

AFTER THIS,
THE CHILD'S DNA CHANGED INCESSANTLY

AND ITS BONE STRUCTURE AND
BRAIN CAPACITY GREW TO BE
CLOSER TO THOSE OF MODERN HUMANS.

BIPEDAL MOVEMENT

QUADRUPEDAL MOVEMENT

IT WAS STILL CLOSER TO BEING AN ANTHROPOID THAN A HUMAN.

THEN ONE DAY.

BUT RATHER BECAUSE OF
A SENSE OF ANTICIPATION AND FEAR

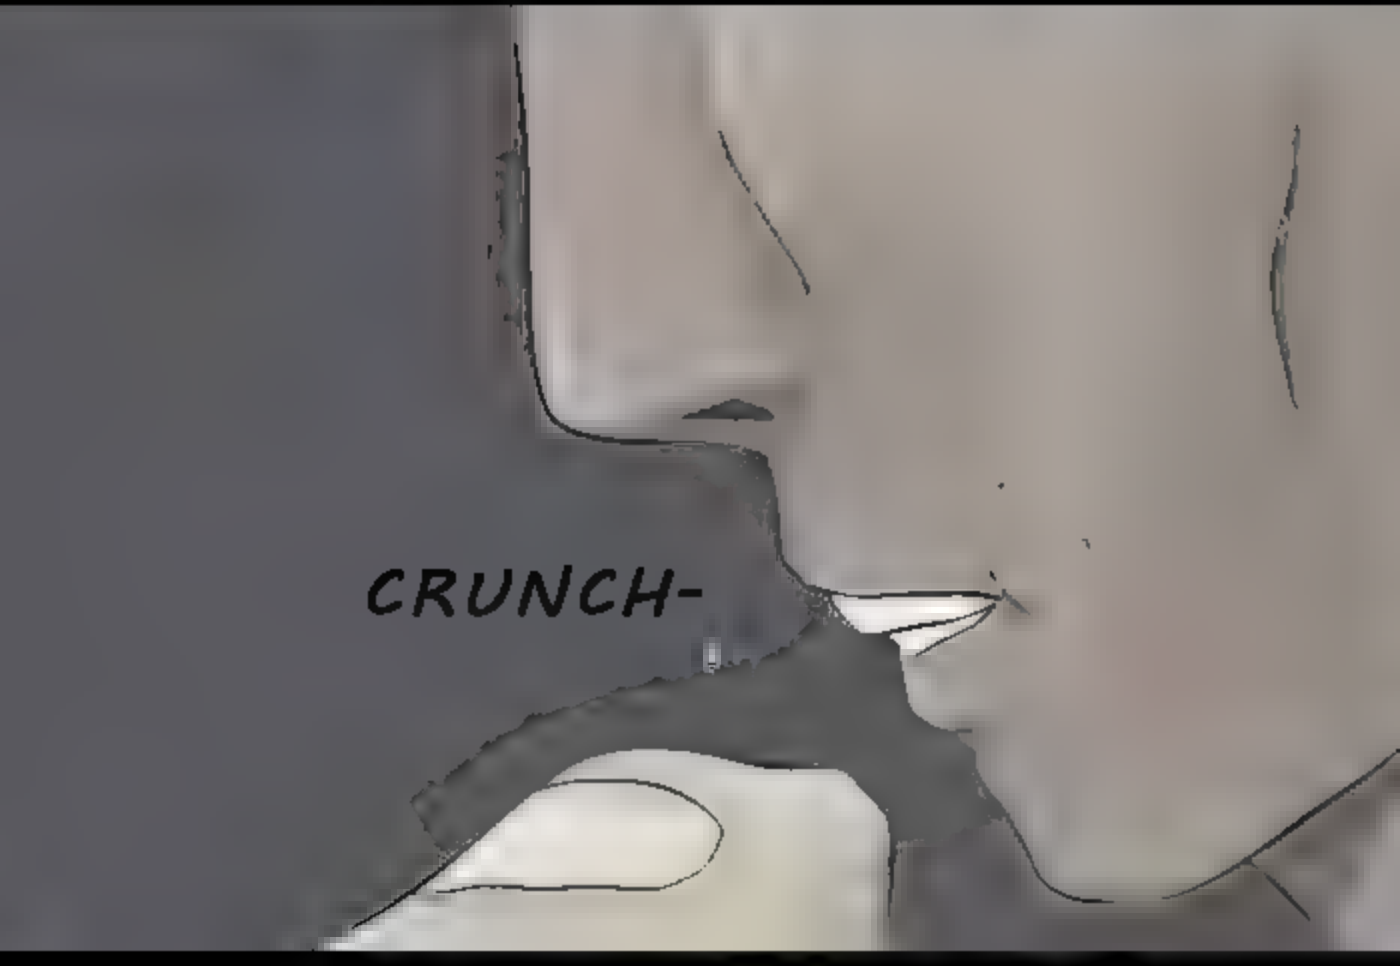
THAT IT MAY SHOW
THE FUTURE OF HUMANITY.

GULP-

WAS PERHAPS

BEEEEEP-
CODE RED
BEEEEEP-
BEEEEEP-
BEEEEEP-

ITS BONE STRUCTURE, BRAIN, ORGANS,
DNA AND EVERY OTHER INDEX



AND SO,

WHAT THE HEAD RESEARCHER WAS WAITING AND HOPING FOR

WAS AN UNDENIABLE MIRACLE,
SOME DECISIVE EVIDENCE,

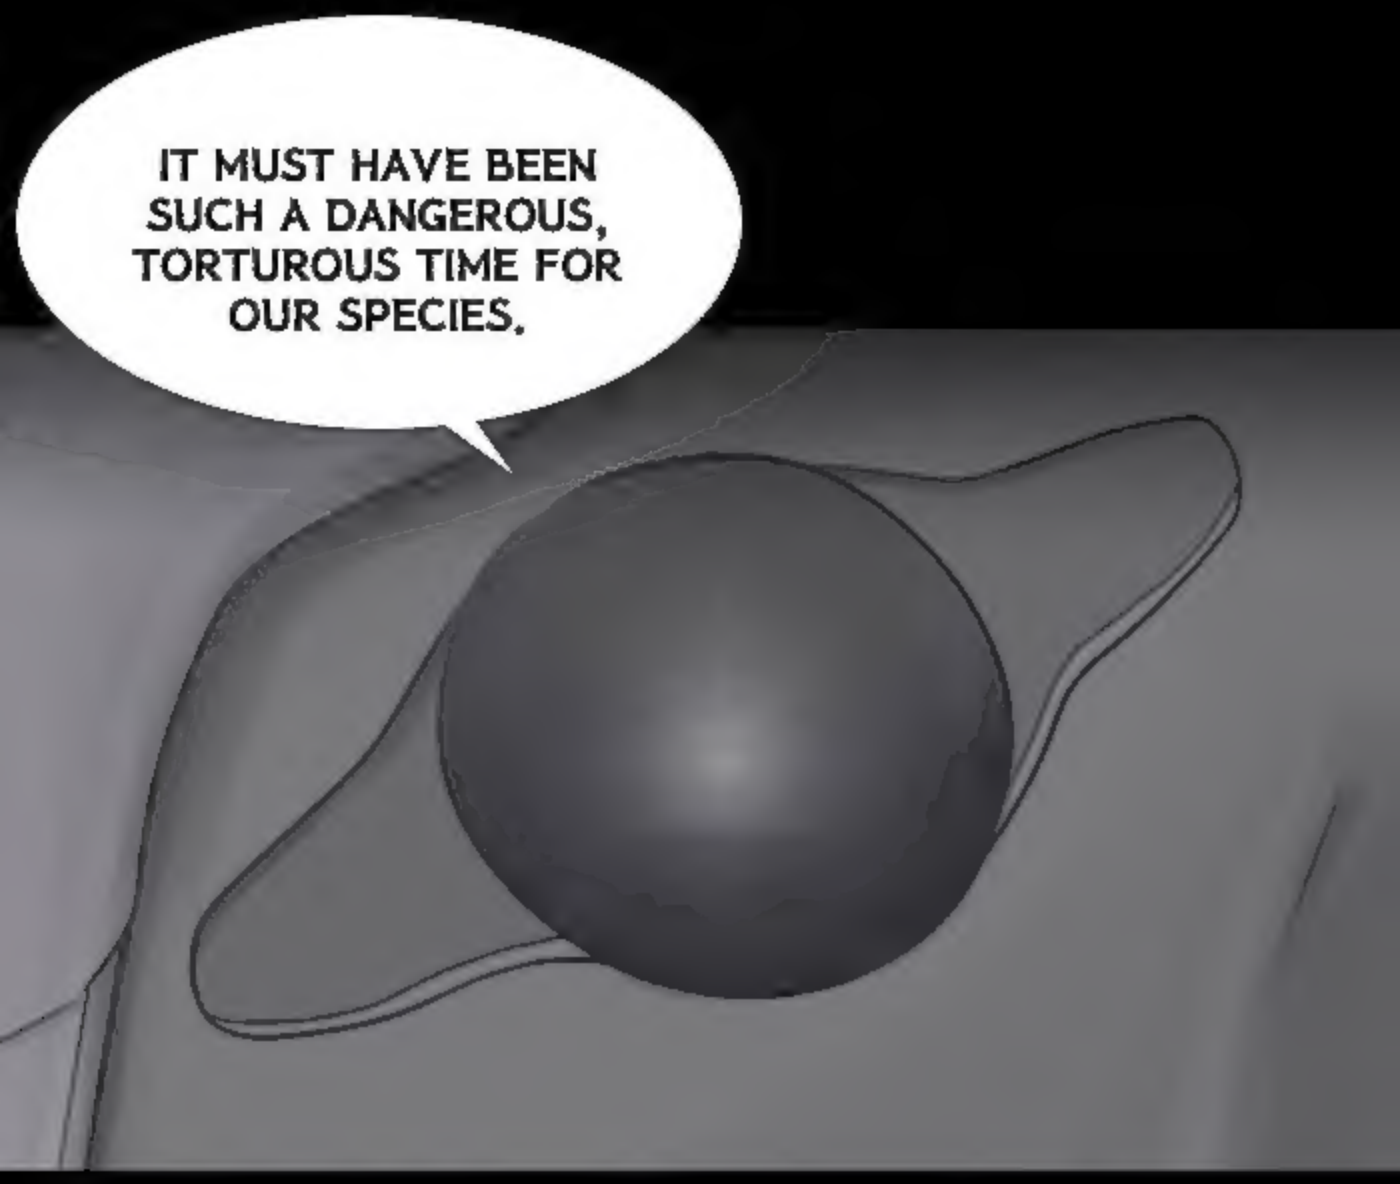
AN EXPLOSIVE EVOLUTION WHICH WOULD CONFIRM HIS "HYPOTHESIS" AS "TRUE"!

BUT TIME FLOWED ON INDIFFERENTLY

AND AROUND THREE MONTHS AFTER ITS BIRTH,
THE CHILD HAD REACHED ROUGHLY
AGE THREE IN HUMAN AGE.

THE HEAD RESEARCHER'S HYPOTHESIS
WAS PROVEN RIGHT

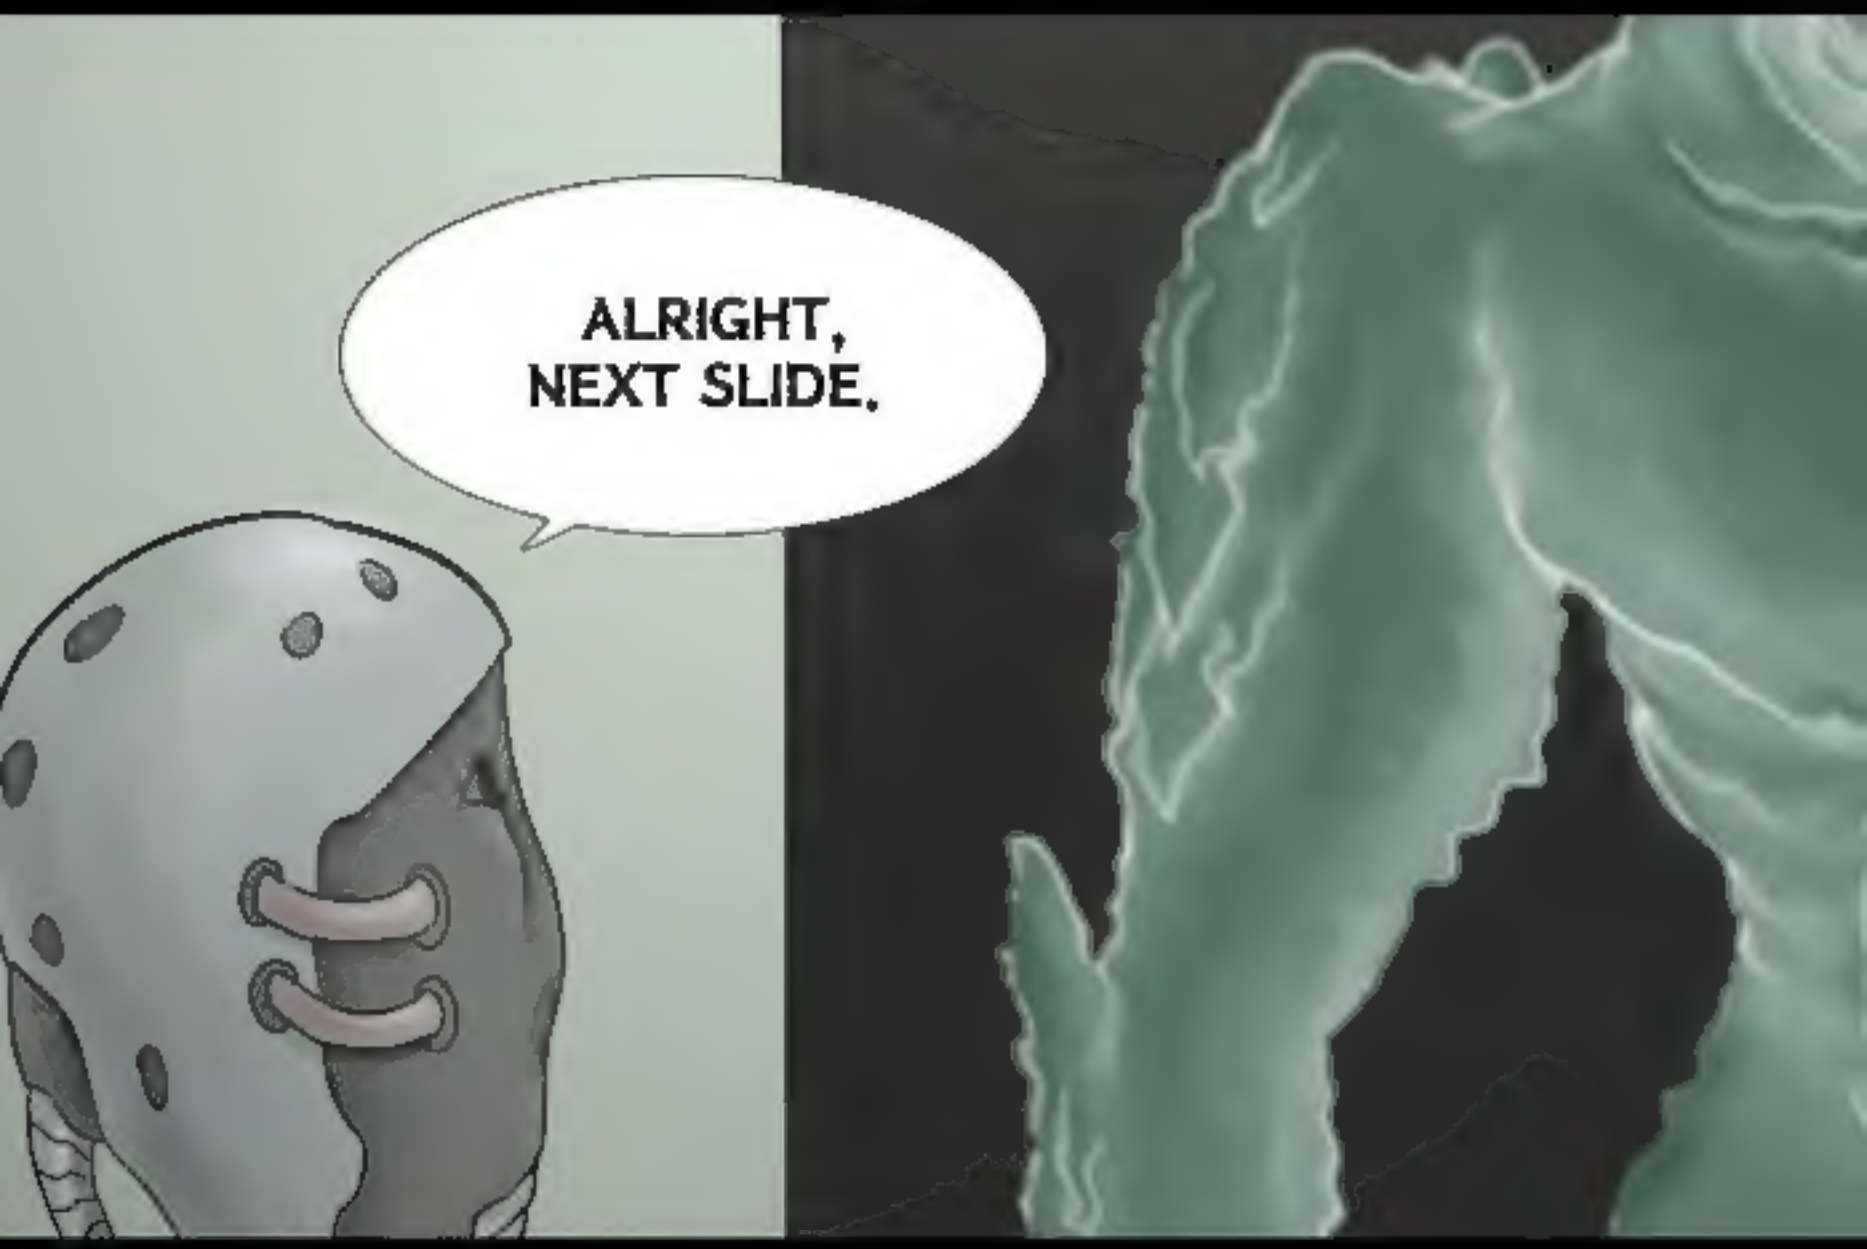
ABOUT THE CHILD EVOLVING RATHER THAN GROWING



WELL...

AT LEAST IN THE END

WE ACHIEVED PEACE.



ALRIGHT,
NEXT SLIDE.
